The Spindle

2004 Staff adds pages of Ads; surpasses 7 year highest sales totals

Due to scheduling conflicts, Mrs. McNamara's 1/2 class of 27 students was cancelled. Mrs. McNamara had too many early morning items that needed her attention to be able to have a Mod 1/2 class. In its place, a Mod 5/6 class was created & on the first day 6 students were registered. Mod 3/4 stayed strong with 27 students, but due to other scheduling conflicts, only 18 were enrolled by October 1.

Staffers quickly learned the art of caption writing & picture picking quickly, while selecting layouts for the upcoming deadlines. Color page spreads proved difficult in finding just the right photo, but students met their October 24 deadline.

Taking control of the digital camera, Christine Thanongsinh & Emily Taber-Moore shine the light on themselves on the way to 142. Christine was an Office Intern for Mrs. McNamara & ran around a lot.

Easyyearbook.com was used by all seniors to submit their memory write-ups. Staff members edited their write-ups & Mrs. Mac did the final review. December & January proved to be the slower months, while late February stressed out students & advisor alike.

We can't leave without mentioning Sarah, Sarah, Sarah who swept many of the in-class competitions including Theme, Homecoming Queen & Ad extraordinare!

Jenny Yeam, Tyler Downey & Patricia Samuel write captions. Mrs. McNamara presents Sarah Thuillier with her "bonus" check for selling the most ads. The 2 classes gather outside. Sarah Stacy & NyChan Dul carefully organize envelopes.

PUTTING THE PIECES TOGETHER

Deadline Drama

- Writing captions about people who we know absolutely nothing about. Two sentences seemed easy to write until we actually had to write them. Really, how many times can you describe people dancing on the dance floor?
- Sport pages were challenging when you are unfamiliar with the sport you are writing about. In some cases, there were no statistics to go along with the season. Besides, does anyone really know the weight of a shot put?
- Senior write-ups were probably the most challenging for the class. We had to correct spelling & gramatical errors that were rampant throughout the write-ups. It makes you wonder what kids are really thinking when they are writing their memories.
- Remember back when you were a Freshman? Yeah, those really bad hair days, or simply not looking your best...try selecting just the right photo to place on the pages. Now that's tough!

The Review

Are You an Active Member

Are you an active member, the kind that would be missed;
or are you just contented that your name is on the list?
Do you attend the meetings, and mingle with the flock;
or do you just stay away and criticize and knock?
]Do you take an active part, to help the work along;
or are you satisfied to be the kind that "just belongs"?
Do you ever work on committees, to see there is no trick;
or leave the work to just a few and talk about the clique?
So come to the meetings often, and help with hand and heart.
Don't just be a member but take an active part.
Think this over member and know right from wrong;
are you an active member, or do you just belong?

Red Raider Football Nation

Going 8-2 for a third straight season, the Red Raiders had another successful run in the MVC. Starting off the season with decisive wins over Westford Academy & NH powerhouse Nashua, the Red Raiders built up momentum heading into the rigorous MVC schedule.

Playing tough football, Lowell rolled over Dracut & Andover, setting up a showdown with Chelmsford. Playing their hearts out before the Homecoming crowd, Lowell eventually succumbed to the Lions.

Playing the following week in Billerica, the Red Raiders, who did not have lady luck on their side, took another loss to the Indians. Our boys were not down for long as they reeled off three impressive wins against always competitive Central Catholic, Methuen & Tewksbury. For the second straight year, Lowell took home the Turkey Bowl Trophy from Haverhill.

Lowell finished for the third consecutive year in the Sweet 16 Boston Herald & The Boston Globe Top 20. Another fact, Lowell led the league in fewest points allowed, 94.
